YOUTHFUL DUBOIS AUTO RACER KILLED HERE SATURDAY AFTERNOON

PENNSY TRAIN NO. 26 IS WRECKED AT LONGFELLOW, PA.

Lewistown, Pa., Oct. 20. (INS.)—Eight persons were injured, some believed seriously, when train No. 26, St. Louis to New York, express, left the track at Longfellow, 18 miles east of here shortly after noon. Two cars were overturned.

The injured were taken to a hospital here.

One hundred and fifty-three passengers who escaped injury were transferred to train No. 8.

The train is also known as the "Commercial Express" and is made up of day coaches and pullmans.

The injured include:

Judge Thomas F. Bailey, of Huntingdon, President Judge of the 20th judicial district comprising Huntingdon, Bedford and Mifflin counties.

Mal. H. Neuwal, Altoona business man.

A. J. Tenrol, 1916 Wayne St, Swissvale Penn.

Huntingdon, Pa., Oct. 20. (INS.)—

All physicians from here were ordered rushed to Longfellow, Mifflin county, this afternoon following the wrecking of train No. 26, due here at 11:29. Reports reaching here say the train left the track and plunged over an embankment.

According to reports to Pennsylvania officers here the engine and entire train was derailed at Longfellow, two cars being thrown on their sides. Several were injured in the derailment but none killed, it was stated. Longfellow is only a flag stop and the station agent at Mifflintown had no report on how serious the accident had been.

A relief train has been sent from Altoona, but has not yet reached the scene of the accident.

The chief dispatcher's office of the Pennsylvania at Altoona, reported six persons had been brought to the Lewistown, Pa., hospital. They were not expected to die. Other passengers were not seriously injured in the wreck, it was stated.

ONE CASE OF DIPHTHERIA

Secretary Gaulin of the Health Board reports a single case of diphtheria during the week ending on Saturday last. This case is in the Second Ward and is the first case of diphtheria in Clearfield in four months. A remarkable showing, especially in view of the fact that the first month of school is usually the time when children's diseases flourish. There are no other cases of contagious disease in the town.

FATAL SHOOTING AT FALLS CREEK HAD UNUSUAL FEATURES

DuBois, Pa., Oct. 20.—An unfortunate shooting incident in Falls Creek on Friday night resulted in the death of one youth, Blaine Wingrove 16-year old son of Mr. and Mrs. Walter Wingrove of near Falls Creek. Edward Thomsy and Roy Bonninger who were held after the body was discovered on Saturday morning, were freed on Saturday afternoon by the coroner's jury, who returned a verdict of accidental shooting, resulting in the death of young Wingrove.

The body of the youth was found at 6 o'clock Saturday morning by David Ebersole, a workman, on Taylor street, Falls Creek, about five doors from the home of Pat Casey. The boy had been shot through the heart and had evidently been dead for hours.

Thomsy, aged 17, who lives on the outskirts of Falls Creek, and Bonninger, 16, who lives in the Beechwoods about a mile from Falls Creek, were placed under arrest by State Police Barker and Bysch and Chief of Police J. L. Britton, of Falls Creek. The boys confessed their part in the death of young Wingrove, and told a tale of accidental shooting. They were brought to DuBois in the morning, and later taken to Renoldsville, where an inquest conducted by coroner Dr. Ira Bowser substantiated.

NO PARKING WILL BE ALLOWED ON ANY PART OF ROAD THAT HAS A WHITE LINE

Harrisburg, Oct. 18.—The stopping of motor vehicles in any section of state highway which contains a white traffic dividing line is forbidden in a rule just issued by Paul D. Wright, Secretary of Highways.

No motor vehicle of any description may be stopped for any purpose opposite the white line on a roadway. This is the substance of rule No. 3 promulgated today by Secretary Wright.

Some months ago the Secretary of Highways issued rule No. 2, which forbids the parking of vehicles on state highways so as to interfere with the orderly passage of two-way traffic. Rule No. 3 goes further than rule No. 2.

The new rule is as follows:
RULE GOVERNING PARKING OPPOSITE WHITE LINES
Commonwealth of Pennsylvania
Department of Highways
Harrisburg, Pennsylvania
NOTICE

Rule No. 3. Governing the use of state highways in pursuance of section 17 of the Act of May 31, 1911, section 25 of the Act of June 30, 1919, and section 1902 of the Act of June 7, 1923.

DAVIS, FEARING A REPETITION OF 1920, VISITS THE SOLID SOUTHLAND

By WILLIAM K. HUTCHINSON
(I. N. S. Staff Correspondence.)

Nashville, Tenn., Oct. 20.—John W. Davis, Democratic candidate for President, expounded his Democratic doctrines in the heart of the "solid south" today on a visit of appreciation for the perennial support given his party below the Mason-Dixon line.

The South welcomed Davis with open arms. His every appearance on the streets was the signal for outbursts of applause and the candidate seemed to get as much pleasure out of the occasion as did his hosts.

Davis spent the morning in conference with Democratic state leaders as he evaded all talks of politics on his arrival here on Sunday. The big event on today's program was a huge mass meeting in the stadium of the Vanderbilt University, scheduled for this afternoon. Davis planned to make a regular campaign speech as he told his advisers, the Democratic party issues were just as vital below the line as they were in northern states.

The Davis visit here marked one of the very few occasions in political history when a Democratic presidential nominee has campaigned south of the line.

While an announcement was made that the visit was purely "an act of appreciation," the Davis managers were known to have urged the candidate to enter the state to definitely block a repetition of the 1920 result, when Tennessee went Republican.

The presence of the candidate, it was contended, would arouse the regular Democratic organizations and prevent loss of the state through lack of party enthusiasm. At the same time the Democratic "board of strategy" endorsed the visit as a means of bringing out "heavy votes" throughout the South to help inflate Davis' popular vote.

But they don't seem to realize that they are soon to lose her behind the gray walls of a penitentiary. The girl plays with an improvised doll she has made from her handkerchief; the boy is engrossed with the hundred little trinkets he has collected in his pockets.

According to former Judge Albert W. Johnson, who was chief of defense counsel, a lost effort will be made to free the woman. It was on his word that he will file a motion for a new trial that sentence was not immediately imposed.

If a new trial is granted, he said, a change of venue will be the first move. The antagonistic feeling of the people of Snyder county toward his client almost kept him from asking a change last Monday, he admitted, but later he decided to go on with the trial.

Arguments on the motion will not be heard until the November term of court, Judge Potter said.

MILLER GIVEN LEAVE AS ALIEN PROPERTY CUSTODIAN

Washington, Oct. 20. (INS.)—President Coolidge today gave leave of absence to Colonel Thomas W. Miller as alien property custodian, and issued an executive order directing that the office be presided over until November 15 by William W. Wilson and Sewell W. Abbott. Wilson and Abbott are now serving as legal counsel for the custodian's office.

Washington, Oct. 20. (INS.)—Jail sentences imposed on violations of the Prohibition act during the past three years aggregate 7,000 years, prohibition commissioner Haynes announced today.

Hanes said 177,000 arrests have been made, 39,000 gallons of liquor seized, and 11,000 automobiles and 444 ships confiscated.

Fines totalling \$18,000,000 have been imposed of which \$17,000,000 have been collected.

MRS. WILLOW FOUND GUILTY IN SECOND DEGREE; SENTENCE IS TO COME ON MONDAY

Middleburg, Pa., Oct. 20. (INS.)—The identity of Ralph Shadel, the 18-year old farm hand who murdered for the illicit love of a woman twice his age, will soon pass into obscurity. He is to be taken to Eastern Penitentiary this week, according to Sheriff Runkel, and for the next twenty years his name will be blotted out and a number substituted.

And his convicted partner in the murder, Mrs. Annie Willow likewise found guilty of second degree murder in connection with the slaying of her husband, awaits the arrival of Thursday when she will hear Judge Potter sentence her.

The maximum sentence for the crime is not more than twenty nor less than ten years. Shadel was given the full penalty.

In her little cell in the county jail, Mrs. Willow reads by the light of an oil lamp, or does needle work. A yellowish red coverlet on her cot adds to the gloominess of the cell. But the iron barred room here will be her home but a short time longer.

Then will come a penitentiary term that Judge Potter thinks is commensurate with the proper punishment for the crime.

Her two children, Iva, 7 and Glenn 11, are constantly with their mother. But they don't seem to realize that they are soon to lose her behind the gray walls of a penitentiary. The girl plays with an improvised doll she has made from her handkerchief; the boy is engrossed with the hundred little trinkets he has collected in his pockets.

But it was an Altoona day and the best eleven in the history of the Altoona High showed it. The maroon eleven was a fighting and wide awake 11-cylinder machine at all times.

When an alien back ran the ball about two or three. Madison men would meet him and after they had hit the Clearfield player pretty hard usually time out was required to free him from dizziness or a bump. They seemed unaffected by the heat and smoke and constantly stood the bumps better than Clearfield.

For Altoona Conroy and the ten other players showed best for the chop town team. While much credit goes to Coach Dick Madison, who has greatly increased the strength of his team since the 1923 game.

Clearfield started at the opening whistle with all kinds of fight and their customary gait, but before the first period had ended they had slipped several notches. The weak spot in the local eleven was the line, which the Maroon backs ripped to pieces. The backfield with exception of Mitch was not tackling worth a cent and neither was the entire backfield forming a decent interference.

Mitchell and Wilson looked about the whole C. H. S. eleven with the possible exception of Mohney and Johnston who, although outweighed, played great games on the ends. Will-

ALTOONA OUTPOINTS C. H. S. 20 TO 0 BUT IT WAS GREAT GAME

For the first time in grid history Clearfield High was outpointed by Altoona High at Altoona when the city boys arose to the occasion on Saturday and grabbed a 20-0 game.

It was a big day for Altoona and from the time their white-trousered cheer leaders and the school band opened the program they celebrated. The new field was well populated with cheering spectators and hilarious students who were anxious for a Clearfield scalp.

On the other hand Clearfield's little band of rooters took the defeat without a flinch and gave the winners a cheer with the losers. About 50 to 75 motored to the big town and were well satisfied with the game and the one-way streets.

The score, 20-0 looks a little bad but it is not so bad as it might have been. The Madison-coached team earned one touchdown and that was the first one, which came after a 90-yard line bucking drive with Wicker doing the scoring. The other two were not so well earned and came about from a couple of lucky breaks.

The second score came when a Capt. Wilson punt hit one of the Red and Black players and was covered by Altoona on the Clearfield 10-yard line. In two plays Conroy scored.

The last was a real misgiving. Schuckarts pulled down a C. H. S. pass and started hot footing it to the goal. Clearfield's last man broke thru and tackled Schuckarts on the 50-yard line but, an untimed tackle, allowed the pass-another to wiggle loose and the pass-another to wiggle loose and the pass-another to wiggle loose.

On the placement kick, but the shock of the last one caused him to miss. Clearfield might not have won but at any rate they would have held Altoona to a lower score with 50-50 breaks.

But it was an Altoona day and the best eleven in the history of the Altoona High showed it. The maroon eleven was a fighting and wide awake 11-cylinder machine at all times.

When an alien back ran the ball about two or three. KENNETH BURKE SUFFERS FATAL INJURIES WHEN CAR LEAVES TRACK IN DUST CLOUD

1,000 Spectators Get Expected Thrill; Youth Is Badly Crushed About Face; Died In 2 Hours.

ONLY 20 YEARS OLD

The thousand or more people attracted to the Clearfield Driving Park to witness the 50-mile automobile race on Saturday afternoon last, got their expected thrill when on the 16th lap of the race the Chevrolet special driven by Kenneth Burke, of DuBois, left the track at the lower turn, hit a large rock below the track and then crashed head-on into the Gearhart Lumber Company's planing mill immediately adjoining the Park. Burke suffered a badly fractured skull, had his left eye torn out, collar bone and nose crushed and died two hours later in the Clearfield hospital.

There were seven entries in the race and the track was so dry and hard that rapidly moving machines left a veritable pall of dust behind them, which arose in clouds to a height of one hundred feet and obscured machines, track and everything else almost from start to finish. This dust cloud is thought to have caused Burke's fatal accident. At any rate while making the 16th round his machine left the track, catapulted down over the ten-foot embankment and striking a large stone threw Burke out of the car head first. It then bounced over against the planing mill and was badly wrecked.

Spectators were at Burke's side almost instantly and he was quickly removed to the Clearfield hospital. It was apparent at a glance that his injuries were fatal and his last minutes were made as comfortable as possible by the use of opiates. The accident occurred about 3:45 and at 5:45 Burke died.

The young man, who would have been 21 years of age next December, was the nephew of Leo J. Quinn, the DuBois undertaker. He had lived in DuBois for several years, making his home with his uncle, and at the time of his death was employed as a driver for the Forte Worth delivery truck. He was a young man of trustworthy character, and was regarded as an earnest employee. He seemed to be fascinated by the racing game, and over three years ago started in as a rickshaman for Deacon Litz. This year he secured a car for himself, and entered in several of the races. Saturday's race was the fifth in which he had engaged this year, and the only previous accident in which he figured was once at Brookville, when he went through the fence at the race track there but was uninjured.

The other six drivers in the race were Deacon Litz, of DuBois; Wall, of Pittsburgh; Yocum, Fye, Rupert and Linkhamfelter, of Altoona. Wall won the race, making the 50 miles in 58 minutes. Litz finished second and Rupert third.

FIENDISH ATTEMPT IS MADE TO BLOW AUTOIST TO DEATH

Pittsburgh, Oct. 20. (INS.)—County detectives have instigated a state wide search for the man suspected of a fiendish plot to kill Albert Donaveskey, 35, at his home near North Bessemer today, by setting a box of dynamite so that it exploded when Donaveskey cranked his automobile. The man was hurled through the roof of his garage, his body horribly cut and mutilated by the blast, and his automobile and garage demolished.

3 DEAD, 3 FATALLY HURT IN WRECK ON NIAGARA TROLLEYS

Buffalo, N. Y., Oct. 20. (INS.)—Another investigation of yesterday's wreck on the Niagara Falls high speed electric line was begun this afternoon.

Medical examiners Danzer and Long, Erie county officials, began an inquiry of their own. Issuance of death certificates on victims of the wreck was withheld until they shall have finished.

The death list now numbers three Isaac Markey, 134 East Main street, Coatesville, Pa., having succumbed to his injuries just before noon. Heretofore his name had been spelled erroneously as Isaac Marks address unknown.

Three other persons who were hurt in the wreck are in danger of death.

READY FOR LIFE INSIDE PRISON WALLS

RICHARD A. LONG NO. 9305

Oh, what a difference haircuts and clothes make. Old friends back in Chicago would not know Richard A. Long and Nathan F. Leopold at first glance. The prison barber at Joliet (Ill.) penitentiary, you know, doesn't think much of pompadours and sideburns. A haircut like this is much better, he insists. And the penitentiary tailor doesn't go in for shishik clothes. He prefers loose-fitting suits of gray denim and heavy-striped, baggy at-the-neck shirts. He doesn't go in for snappy ties, either. Anyway, girls, these are the first pictures of "Babe" and "Dickie"—oh, pardon us, wardens, we forgot they are Numbers 9305 and 9306 now—to come out of Joliet since they began their life sentences for the murder of little Bobby Franks.

WHO CAN BLAME HER?

Eddie Leitzinger and his family drove down to Pete Brown's at the Knobs yesterday and enjoyed one of Mrs. Brown's good dinners. Eddie says he found Mrs. Brown mad as a March hare because she had learned that it had generally been reported about town all of last week that she had passed away.

Mrs. Brown proved to Eddie that she was far from being a "dead one" and wants the person responsible for telling that she was to come down and make himself known so she can give him a piece of her mind.

Both Mr. and Mrs. Brown are enjoying good health at present and the host of friends all over this section who have partaken of their hospitality hope they will long continue to do so.

FOOTBALL HISTORY IN THE MAKING AT SATURDAY'S GAMES

By DAVIS J. WALSH
(I. N. S. Sports Editor.)

New York, Oct. 20.—Notre Dame rule the middle west; Ohio Tech, Florida, Alabama and Tulane and Auburn are out front of the southern pack; California and Stanford seem to have an edge on the Pacific Coast group; the east knows neither leader nor favorite for that honor. In section, Harvard, Yale, Princeton, Syracuse, Dartmouth, Penn., Lafayette, Washington and Jefferson, and Rutgers are undefeated in pick a leader from the field to be to pick one pen from a two man.

Looking from the standpoint of leadership, the writer would, off hand, that Notre Dame Illinois are as good or better the next. He doubts very much college has as good an early team as Notre Dame. The had everything on Saturday in one of the best Army teams the modern generation—every, that is, except stamina. Notre is built for speed, not endurance. It lacks the heft to absorb more poundings such as it received from the Army, and unfortunately, Notre Dame has just begun a season of gruelling games.

A question before the house is whether its remarkable speed and dash can offset for a complete season that probably will be the physical superiority of the combined opposition. For two periods, Miller, Crowder, backed up by as fine a bit of interference as has been seen on the gridiron in years, completely befuddled the Army defense. Irish backfield masked to a nice—only the intent but the direction of its plays and more than once Army forwards studiously pretended to men who merely pretended to the ball. But in the final half Dame's speed was gone and it went all that was vital in the game. The writer fears the worst is great team in later games.

For Illinois, it proved against you that it packs what is probably the greatest punch the country. The remarkable Grange, with on and the forwards mopping up part of him, seems to be the Heff of modern times. However, Illinois had 20 points scored against three games, which either does not speak well for its defense, or on whether one considers teams as Nebraska, Butler and can be push-over.

Actually, Michigan's whole defeat makes Nebraska, Illinois to a 9 to 6 score, rather good by comparison, to Oklahoma, which defeated the Huskers, 14 to 7. These incidents in a football life, and mean nothing in particular. Yet the Huskers must have done or they wouldn't have defeated Colgate by 33 to 17.

For the eastern leaders, Yale, Princeton and Dartmouth have played games while most of the others yet to get down to serious business with the big time opposition.

That is the difference between eastern and western schedules. They immediately plunging in the heavy going in Horace Greely's favorite territory.

ODDS AND ENDS AND THINGS

By J. D. C.

It should not have taken the tragic death of young Burke, of DuBois, to call a halt to dirt track automobile racing in this region, but this entirely unnecessary killing should serve to put an end to such near criminal tomfoolery in Clearfield at any rate.

A movement has been started in Washington to get out the chronic stay-at-home vote which is said to comprise about fifty per cent of the citizenship. The organization is non-partisan and its only aim will be to stimulate the laggard voter. It is proposed to establish a national organization with State branches and smaller units. The purposes of the association were set forth in their constitution as follows:

The purpose of this association is to aid, by all practical means, a full registration and vote of all qualified American citizens throughout the United States. To that end it is our purpose to organize a national association which will include every part of the country.

It is our purpose to enroll members regardless of political affiliations and to secure the patriotic services and co-operation of all individual citizens and all classes of people.

Such associations never were necessary in the good old days preceding the adoption of our present supposed progressive primary election laws. Those laws, designed to curb the gang, may it please you, have only served to devitalize the voter, regardless of party affiliations, and the "gang" is still on the job. The average voter who was previously interested in his party and his party's success by reason of the old party primary and convention of which he

was a part usually now takes no or very little interest in party affairs and does not attend elections anymore.

That this is true is the belief, we believe, of every man who dares even a little bit in politics. We are now governed by an organized minority which knows no party when their personal interests are at stake or to be served.

Get back to the old party primary, county and State convention, when the "statesman" from every precinct got a chance to take his place in the sun and "shine" and you will soon get out.

have party lines "holding" again and get past the place where the fellow with "the barrel" and regardless of his personal or qualifications, can send his agents out over Pennsylvania and buy or capture any old party nomination and the nomination of two or three separate parties at the same primary.

There is room in this country for two parties, that is all we need. Give us the old primary and State and county convention systems and "get out the vote caravans" will be a thing of the past and the vote will get out.

FORD WITHDRAWS OFFER FOR MUSCLE SHOALS PROPERTY

Washington, Oct. 18 (INS)—Henry Ford has withdrawn his \$5,000,000 offer for the government's nitrate properties at Muscle Shoals, Alabama. The White House announced this afternoon. The withdrawal was contained in a telegram from Ford to President Coolidge.

Ford reminded the President that

his offer had been pending since July 8, 1921, and said he was not willing to wait any longer for the government to act.

Ford's message dated October 15, follows:

"On July 8, 1921, there was submitted to the War Department upon their invitation to the writer, an offer for the government property at Muscle Shoals.

After many conferences, hearings, etc., this proposal was amended on January 25, 1922, in which form it is still pending in Congress.

Inasmuch as so much time has al-

ready elapsed we are unable to wait and delay what plans we have any longer for action by Congress and I am, consequently, asking that you consider this as a withdrawal of said offer."

In replying, the President expressed hope that at some future time Ford would reconsider his withdrawal. The President's reply follows:

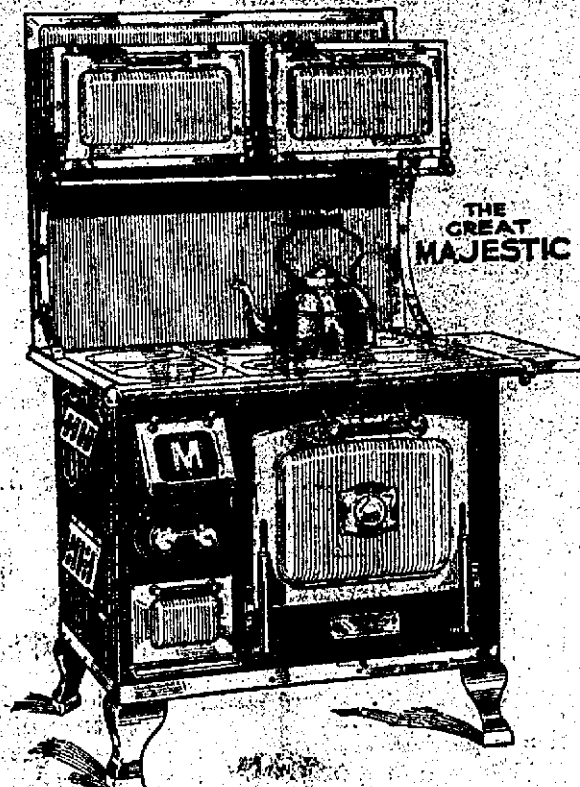

"My Dear Mr. Ford:

"Your letter withdrawing your offer for the purchase of Muscle Shoals has been received. On account of the

POLITICAL INTELLIGENCE

Addressing a group of American girls about to vote for the first time, a clear-headed and high-minded minister tells them: "Your immediate task is to begin the development of an intelligence of a rare kind. Perhaps you will be bewildered by political propaganda in various plausible guises. You must learn to see beneath the surface."

"You must learn what it means when a British prime minister goes to his king and says that the country must pass on the matter of a treaty with Russia. You must learn what the changing politics of central Europe indicate, and the significance of Japanese exclusion. You must learn these things, not as abstract information, but in their relation to the issues on which you must pass at the polls."

"You must get behind the personalities of candidates and learn the background of the things for which they and their parties stand."

"And it will be your privilege to aid in the establishment of a personal contact between the public officials and the electorate. Do not let him think that the wire pullers and professional politicians who are constantly tugging at his coat tails represent the opinion and the wishes of the public."

Here is a large order for inexperienced citizens. But it points the sure way to political progress. And it is the right kind of thing to say to first voters. Being still young and plastic-minded, they can learn more readily than their elders. In them lies the best hope of making our future political life better than it has been in the past. They may make political intelligence less "rare".

delay and probable shifting of conditions. I can understand how you may feel "stifled in not keeping your offer open for a longer period. I trust, however, that should Congress conclude that it is best to restore this property to private ownership, you will at that time renew your interest in the project.

Very Truly Yours,
Calvin Coolidge.

Under an agreement reached before Congress adjourned last spring, the Ford offer for Muscle Shoals, already approved by the House, is to come up in the Senate as soon as the Congress convenes in December.

Some southern Senators, notably Senator Oscar W. Underwood, of Alabama, in whose state the Muscle Shoals property is situated are in favor of accepting the Ford offer regardless of the withdrawal, feeling

confident that Ford will not refuse to take over the property should Congress vote to let him have it. Conferences among government officials and Congressional leaders within the next month are expected to determine what course will now be taken in respect to Muscle Shoals in view of Ford's action.

To Find Out?

The chances are that something you need was offered for sale last week at a price you wouldn't have missed—if you'd known.

And the place to live you've been hunting, the better position you've been hoping to find, the used car you've been wanting a chance to buy—they have come and gone, too!

How are you going to find out about these opportunities—that you can't afford to let slip past—if you don't watch the Progress Classified Section every day?

No matter what your interests are—business man, worker, housekeeper—there are dozens of offers of all sorts coming up in the Classified Columns all the time that will mean less money coming out of your pocket and more money in it.

Read the Classified Ads regularly!

MRS. ANDREW MURPHY DIES

Mrs. Andrew Murphy, of Lumber City, died at the Clearfield hospital at 6 o'clock this morning.

Mrs. Murphy suffered a very serious skull fracture and other injuries when struck and knocked down by an automobile while attempting to cross West Market street, near the B. & P. railroad on Monday evening last.

She had been a patient at the hospital since that time and had been resting well but complications arose suddenly last night and death was the result.

Mrs. Murphy was 66 years of age. She was a splendid christian woman, enjoying the respect and esteem of a wide circle of friends.

She is survived by five sons and four daughters, as follows: John, of Cherry Tree; James, of Louisiana; Carl, of Glen Campbell; Jay, Delmont; Mrs. Jeremiah McNaull, of Curwensville; Mrs. Edward Hetrick, of Punxsutawney; Mrs. Wilson McClure, of Clearfield and Miss Elizabeth at home.

The remains were prepared for burial by Undertaker Doverspike and taken to the home of her son Jay Murphy in Curwensville and the funeral will be held from St. Timothy's Catholic Church either Wednesday or Thursday morning. Interment will be made in Calvary cemetery at Clearfield.

Be wise and avoid the rush. Buy your pipeless furnace. And have it installed now by RUTCH & SWARTZLE CO.

MEETING OF HUNTERS
PROTECTIVE ASSOCIATION

A meeting of the Clearfield County Hunters' Protective Association will be held in the "Amputation Room" of the Court House Tuesday evening, Oct. 21st at 8 o'clock. All members and hunters generally should attend. New officers are to be elected and the matter of prosecuting "camp breakers" discussed. Let all interested attend.

ELECTION PROCLAMA

GOD SAVE THE COMMONWEA

I Thomas H. Lowell, High Sheriff of the County of Clearfield, in the Commonwealth of Pennsylvania, do hereby make known and give notice to the Electors of the County of Clearfield Pennsylvania, that an Election will be held on Tuesday the Fourth Day of November, A. D., Nineteen Hundred and Twenty-four, it being the Tuesday following the first Monday of November. The polls to be open from 7 A. M. to 7 P. M., at which the free by ballot for the purpose of electing the following officers:

Thirty-eight Persons for Presidential Electors. One Person for Judge of the Superior Court. One Person for State Treasurer. One Person for Auditor General. One Person for Representative in Congress. Two Persons for Representative in the General Assembly.

To vote a straight party ticket, mark a cross (x) in the square, in the first column, opposite the name of the party of your choice.
A cross mark in the square at the head of a group of presidential electors, opposite the name of a party and its presidential candidates, is a vote for all the electors of that party, but for no other candidate.
A cross mark in the square opposite the name of any candidate indicates a vote for that candidate.
To vote for a person whose name is not on the ballot, write or paste his or her name in the blank space provided for that purpose. This shall count as a vote either with or without the cross mark.
To vote for an individual candidate of another party after making a mark in the party square, mark a cross (X) opposite his or her name.
For an office where more than one candidate is to be elected, the voter, after marking in the party square, may divide his or her vote by marking a cross (X) to the right of each candidate for whom he or she wishes to vote. A cross mark in the square at the head of a group of presidential electors, opposite the name of a party and its presidential candidates, is a vote for all the electors of that party, but for no other candidate.
not be counted for candidates not individually marked.

Th parking of motor vehicles on those road sections on which traffic-dividing lines are found is a dangerous practice and has resulted in numerous accidents.

From this date, the parking of motor vehicles for any cause whatever is absolutely prohibited within the legal limits of the section of the highway in which a traffic line is found. There are no exceptions to this rule. No car may stop for any purpose opposite the white line.

All persons are warned not to violate the above rule under penalty prescribed in said act, viz. a fine of

Our Lunches Please Everyone

At noon and during the day, we serve dainty lunches, and lots of business men are running in here when they do not have time to get to their homes for lunch.

The lunches are light, yet satisfying. The items on the menus are varied so that you always have something pleasing to look for.

their story and freed them from responsibility for the death.

The boys' state that they were with Wingrove on Friday night and that he had taken a revolver from the car of Charles Walton of Falls Creek which was standing in the front of the Casey home. They walked a short distance on Taylor street the said, and Wingrove removed the bullets from the cylinder of the revolver, and then handed it to Benjamin. The latter refused to take it saying that he was going back to the Walton car to get something else. Thomsen then took the gun, he said, and was examining it, when it was accidentally discharged. The bullet struck Wingrove directly above the

The Logical Choice of the Careful Buyer

The Ford car delivers more useful, care-free, economical service per dollar invested than any other car. Its sturdy, rigid construction is striking evidence of enduring materials. Every minute operation is scientifically tested and accurately checked.

Control of natural resources and complete manufacture in large volume have made possible value that is the one standard by which every motor car must necessarily be judged.

The Ford car is the logical and necessary choice of the buyer who wants to get the utmost from every motoring dollar.

Why It Will Pay You To Trade In Clearfield

The issues of this week of the feature "Why it will pay you to trade in Clearfield", bring to a close one of the most interesting campaigns that has ever been attempted in this city.

And with these issues, the merchants and others who have participated, do, as the lawyers say, rest their case.

These merchants have shown you thru the medium of some straight-from-the-shoulder talk, that it pays you to spend your dollar in Clearfield. They have traced the goings and returns of the dollar you spend. They have shown you conclusively that the dollar you spend here is always coming right back to you again. They have also shown you that the dollar sent away is gone forever as far as this community is concerned.

Now, is it not logical that these merchants and others should have the opportunity of showing you that your dollar spent here will buy just as much as the dollar that you send away? And when you need something, isn't it just as logical that you should try the Clearfield stores or the other services we have here for you before you fill in that order blank?

PRINCIPALS IN THE NUTMEG-GUNN CASE

Altoona Outpoints
C. H. S., 20 to 0

(Continued from Page One.)

Wicker distinguished himself by his running and pass catching, while the mate of a quarterback was as ever a spinning runner and played fine defensive game, often coming in and dropping Wicker when he had slid and broken thru the line of scrimmage.

The game itself was not so uneven as the score. Altoona's first downs counted three more than Clearfield's, being 11 to 14. In the passing and punting Clearfield was ace high and needed more by this than any other game. On the yardage gained they were the big guns and in that line alone. The Wicker team gained constantly thru the line, but on the ends they were always held close by Mohr and Johnston. On the return of punts Altoona was held about even due to the fine work of these two boys.

Wicker began the game, by kicking to Mitchell who took it back 25 yards. Right here C. H. S. threw a punter into Altoona by gaining two feet down, but a penalty forced Wicker to punt to Wicker on his own 35 yard line, where a Clearfield end dropped him. An exchange of ownership and again Clearfield punted, this time Wicker being downed on his own yard line. Altoona took the ball but failed to gain and then punted, Wicker booting to Mitch, who let the ball roll and it rolled toward Clearfield's goal before being covered. Right off Clearfield punted but two tackles by Ken Davis forced the dropped boys to punt. The game continued this way till about the middle of the second period when Wicker was dropped with a Wilson punt on the 10-yard line the alien eleven punted Clearfield 90 yards to score and Wicker made it 7-0 by placement kick at the second period ended.

The third period scores were made on a couple of bad ones. Conroy scored after a fouled punt was recovered on the Clearfield 10-yard line. Again Wicker for point was good as the ball sailed over the bar. The second and last came when Schuckarts intercepted a pass and got to a score after escaping from the clutches of a Clearfield tackler. The last period was void of scoring and found Clearfield chasing Altoona all over the field by the aerial route, but no scoring could be done before the final whistle blew.

SIDELIGHTS ON THE GAME
The capacity of Altoona High's field was not taxed so heavily as in other games earlier in the season. The previous crowds were quoted at

5,000 to 7,000, with about one-tenth paid admissions. But Saturday every person sported a tag and no 5,000 passed in the gates.
The Red and Black team say they would not trade fields with Altoona. Smoke was continually blown across the field from nearby trains, while the turf was unusually hard and bare of grass in the hardest places.

It was not the least bit discouraging to lose to Altoona from a Clearfield standpoint. Altoona High, composed of the three upper classes, enrolled 1200 and more or about 500 to 600 boys to pick the best eleven from. Clearfield High has nearly 500 in the three upper classes and about 200 to 250 are boys from which the team is selected. At that we have won three out of five from the city boys, which isn't so bad.

When Schuckarts grabbed the Clearfield pass and began to step off

the yardage to the goal line he went right past the Clearfield bench. The Red and Black officials and players watched him pass and when he was tackled they jumped to their feet with a great shout, only to sink back again when the runner wiggled loose and scored.

SATURDAY'S GAMES

Windber managed to put one touchdown over on Hollidaysburg and won 6-0. But the Koehler coached team cannot be beaten easily, as was seen by the 15-0 score at Lock Haven.

EPINARD THROUGH

IS GENERAL OPINION

DuBois came thru in the last quarter and ran from a 27-14 score to beat Phillipsburg 41 to 27. They must not have gotten the correct dope at Tyrol.

Curwensville threw in the towel to Edgway when the up-state boys came thru with a 14 to 0 victory.

New Castle put the hooks to Butler 24-0 at Butler. New Castle would not surprise anyone by winning the state title.

Miss Catherine Way spent the weekend in Patton with Miss Mary Chase.

New York, Oct. 20. (INS.)—In the opinion of horsemen expressed freely today, Epinard's defeat in the Laurel Stakes on Saturday will mark the end of international racing between the best horses of Europe and America. It is contended that Epinard should not have been allowed to go to the weekend in the Laurel, owing to bad condition of his feet.

cedures, and particularly as to how they control and check up the work of the institution.

"This movement," said Dr. M. T. MacEachern, director of hospital activities, American College of Surgeons, "aims directly at the elimination of deficiencies in hospital services to the patient and the establishing of closer supervision and check-up on the work of the institution. It has been rapid in its acceptance and accomplishment, because of the wholehearted co-operation of the hospital people and public generally, of the United States and Canada."

The total number of hospitals sur-

veyed in Pennsylvania was 171, of which 117 or 68.4 per cent met the requirements.

Among those listed as having been fully approved after meeting all the requirements are the Clearfield hospital, the Cottage State hospital, of Philipsburg, the DuBois hospital of DuBois. No others closer than Altoona are listed.

FOOTBALL HISTORY IN THE MAKING AT SATURDAY'S GAMES

By DAVIS J. WALSH
(I. N. S. Sports Editor.)

New York, Oct. 20.—Notre Dame rule the middle west; Ohio Tech, Florida, Alabama and Tulane and Auburn are out front of the southern pack; California and Stanford seem to have an edge on the Pacific Coast group; the east knows neither leader nor favorite for that honor. In section, Harvard, Yale, Princeton, Syracuse, Dartmouth, Penn., Lafayette, Washington and Jefferson, and Rutgers are undefeated in pick a leader from the field to be to pick one pen from a two man.

Looking from the standpoint of leadership, the writer would, off hand, that Notre Dame Illinois are as good or better the next. He doubts very much college has as good an early team as Notre Dame. The had everything on Saturday in one of the best Army teams the modern generation—every, that is, except stamina. Notre is built for speed, not endurance. It lacks the heft to absorb more poundings such as it received from the Army, and unfortunately, Notre Dame has just begun a season of gruelling games.

A question before the house is whether its remarkable speed and dash can offset for a complete season what probably will be the physical inferiority of the combined opposition. For two periods, Miller, Crowder, backed up by as fine a bit of interference as has been seen on the gridiron in years, completely befuddled the Army defense. Irish backfield masked to a nice—only the intent but the direction of its plays and more than once Army forwards studiously pretended to men who merely pretended to the ball. But in the final half Dame's speed was gone and it went all that was vital in the game. The writer fears the worst is great team in later games.

For Illinois, it proved against you that it packs what is probably the greatest punch the country. The remarkable Grange, with on and the forwards mopping up part of him, seems to be the Heff of modern times. However, Illinois had 30 points scored against three games, which either does not speak well for its defense, or on whether one considers teams as Nebraska, Butler and can be push-over.

Actually, Michigan's whole defeat makes Nebraska, Illinois to a 9 to 6 score, rather good by comparison, to Oklahoma, which defeated the Huskers, 14 to 7. These incidents in a football life, and mean nothing in particular. Yet the Huskers must have done or they wouldn't have defeated Colgate by 33 to 17.

For the eastern leaders, Yale, and Dartmouth have played games while most of the others yet to get down to serious business with the big time opposition.

That is the difference between eastern and western schedules. They immediately plunging in the heavy going in Horace Greely's favorite territory.

ODDS AND ENDS AND THINGS

By J. D. C.

It should not have taken the tragic death of young Durke, of DuBois, to call a halt to dirt track automobile racing in this region, but this entirely unnecessary killing should serve to put an end to such near criminal tomfoolery in Clearfield at any rate.

A movement has been started in Washington to get out the chronic stay-at-home vote which is said to comprise about fifty per cent of the citizenship. The organization is non-partisan and its only aim will be to stimulate the laggard voter. It is proposed to establish a national organization with State branches and smaller units. The purposes of the association were set forth in their constitution as follows:

The purpose of this association is to aid, by all practical means, a full registration and vote of all qualified American citizens throughout the United States. To that end it is our purpose to organize a national association which will include every part of the country.

It is our purpose to enroll members regardless of political affiliations and to secure the patriotic services and co-operation of all individual citizens and all classes of people.

Such associations never were necessary in the good old days preceding the adoption of our present supposed progressive primary election laws. These laws, designed to curb the gang, may it please you, have only served to devitalize the voter, regardless of party affiliations, and the "gang" is still on the job. The average voter who was previously interested in his party and his party's success by reason of the old party primary and convention of which he

was a part usually now takes no or very little interest in party affairs and does not attend elections anymore.

That this is true is the belief, we believe, of every man who dabbles even a little bit in politics. We are now governed by an organized minority which knows no party when their personal interests are at stake or to be served.

Get back to the old party primary, county and State convention, when the "statesman" from every precinct got a chance to take his place in the sun and "shine" and you will soon get out.

have party lines "holding" again and get past the place where the fellow with "the barrel" and regardless of his personal or qualifications, can send his agents out over Pennsylvania and buy or capture any old party nomination and the nomination of two or three separate parties at the same primary.

There is room in this country for two parties, that is all we need. Give us the old primary and State and county convention systems and "get out the vote caravans" will be a thing of the past and the vote will get out.

FORD WITHDRAWS OFFER FOR MUSCLE SHOALS PROPERTY

Washington, Oct. 18. (INS)—Henry Ford has withdrawn his \$5,000,000 offer for the government's nitrate properties at Muscle Shoals, Alabama. The White House announced this afternoon. The withdrawal was contained in a telegram from Ford to President Coolidge.

Ford reminded the President that

his offer had been pending since July 8, 1921, and said he was not willing to wait any longer for the government to act.

Ford's message dated October 15, follows:

"On July 8, 1921, there was submitted to the War Department upon their invitation to the writer, an offer for the government property at Muscle Shoals.

After many conferences, hearings, etc., this proposal was amended on January 25, 1922, in which form it is still pending in Congress.

Inasmuch as so much time has al-

ready elapsed we are unable to wait and delay what plans we have any longer for action by Congress and I am, consequently, asking that you consider this as a withdrawal of said offer."

In replying, the President expressed hope that at some future time Ford would reconsider his withdrawal. The President's reply follows:

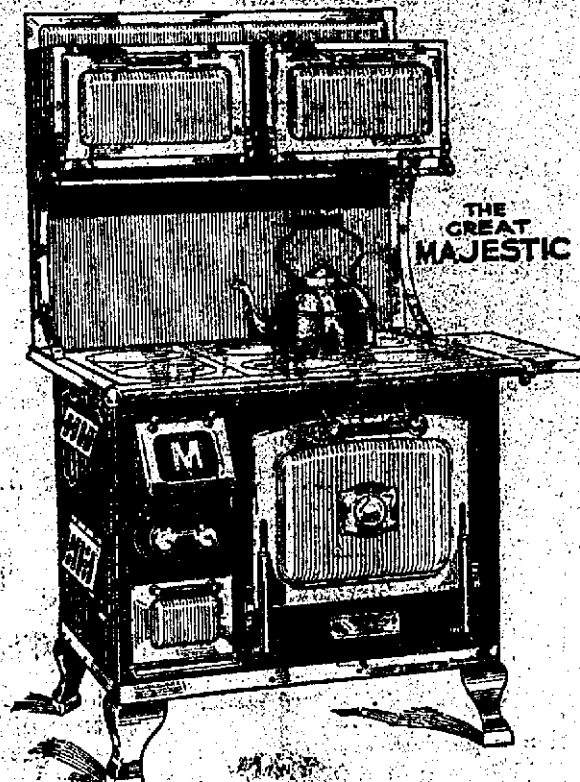

"My Dear Mr. Ford:

"Your letter withdrawing your offer for the purchase of Muscle Shoals has been received. On account of the

POLITICAL INTELLIGENCE

Addressing a group of American girls about to vote for the first time, a clear-headed and high-minded minister tells them: "Your immediate task is to begin the development of an intelligence of a rare kind. Perhaps you will be bewildered by political propaganda in various plausible guises. You must learn to see beneath the surface."

"You must learn what it means when a British prime minister goes to his king and says that the country must pass on the matter of a treaty with Russia. You must learn what the changing politics of central Europe indicate, and the significance of Japanese exclusion. You must learn these things, not as abstract information, but in their relation to the issues on which you must pass at the polls."

"You must get behind the personalities of candidates and learn the background of the things for which they and their parties stand."

"And it will be your privilege to aid in the establishment of a personal contact between the public officials and the electorate. Do not let him think that the wire pullers and professional politicians who are constantly tugging at his coat tails represent the opinion and the wishes of the public."

Here is a large order for inexperienced citizens. But it points the sure way to political progress. And it is the right kind of thing to say to first voters. Being still young and plastic-minded, they can learn more readily than their elders. In them lies the best hope of making our future political life better than it has been in the past. They may make political intelligence less "rare".

delay and probable shifting of conditions. I can understand how you may feel "stifled in not keeping your offer open for a longer period. I trust, however, that should Congress conclude that it is best to restore this property to private ownership, you will at that time renew your interest in the project.

Very Truly Yours,
Calvin Coolidge.

Under an agreement reached before Congress adjourned last spring, the Ford offer for Muscle Shoals, already approved by the House, is to come up in the Senate as soon as the Congress convenes in December.

Some southern Senators, notably Senator Oscar W. Underwood, of Alabama, in whose state the Muscle Shoals property is situated are in favor of accepting the Ford offer regardless of the withdrawal, feeling

confident that Ford will not refuse to take over the property should Congress vote to let him have it. Conferences among government officials and Congressional leaders within the next month are expected to determine what course will now be taken in respect to Muscle Shoals in view of Ford's action.

MRS. ANDREW MURPHY DIES
Mrs. Andrew Murphy, of Lumber City, died at the Clearfield hospital at 6 o'clock this morning. Mrs. Murphy suffered a very serious skull fracture and other injuries when struck and knocked down by an automobile while attempting to cross West Market street, near the B. & P. railroad on Monday evening last.

She had been a patient at the hospital since that time and had been resting well but complications arose suddenly last night and death was the result.

Mrs. Murphy was 66 years of age. She was a splendid christian woman, enjoying the respect and esteem of a wide circle of friends.

She is survived by five sons and four daughters, as follows: John, of Cherry Tree; James, of Louisiana; Carl, of Glen Campbell; Jay, Delmont; and Mrs. Jeremiah McNaull, of Curwensville; Mrs. Edward Hetrick, of Punxsutawney; Mrs. Wilson McClure, of Clearfield and Miss Elizabeth at home.

The remains were prepared for burial by Undertaker Doverspike and taken to the home of her son Jay Murphy in Curwensville and the funeral will be held from St. Timothy's Catholic Church either Wednesday or Thursday morning. Interment will be made in Calvary cemetery at Clearfield.

MEETING OF HUNTERS' PROTECTIVE ASSOCIATION

A meeting of the Clearfield County Hunters' Protective Association will be held in the "Amputation Room" of the Court House Tuesday evening, Oct. 21st at 8 o'clock. All members and hunters generally should attend. New officers are to be elected and the matter of prosecuting "camp breakers" discussed. Let all interested attend.

Harrisburg—Mr. and Mrs. A. Mitchell Palmer escaped unharmed in an automobile accident near here yesterday but their machine was damaged. The car of the former United States Attorney General crashed into another and threw a third against that car when an automobile in a long line made a sudden stop.

This Test has written washer history

It has been made by thousands and thousands of women. What they found amazed them.

They didn't realize there could be such a difference between washers.

Less than 600 days after this discovery was first made, the Maytag Gyrafoam Washer leaped into undisputed world leadership. There it stands today—unchallenged.

This is the test: wash with the Maytag—then do the same with any or all other washers. After that no doubt will remain as to which is the washer for you. The Maytag will be brought to your home any day you say. No obligation. Phone without delay.

Maytag Gyrafoam Washer
WITH CAST ALUMINUM TUB

ROUTCH & SWARTZLE
North Second Street.

9 Outstanding Maytag Features

1—Washes faster. The Gyrafoam Principle creates a more highly energized, turbulent and continuously effective water action. No idle water.

2—Washes cleaner. The Gyrafoam Principle mixes the soap evenly through the water, and forces the super-cleansing, soaping washing solution through the meshes of the clothes. No idle suds.

3—Largest hourly capacity in world—50 lbs. ordinary family wash per hour.

4—Most compact washer made—takes floor space only 25 inches square.

5—Cast aluminum tub—can't warp, rust, rot, swell, split nor corrode.

6—Easily adjusted to your height, and height of tub.

7—Clothes can be put in or taken out while washer is running.

8—Tub cleans itself in 30 seconds.

9—Metal swinging wringer. Low. Swings into 7 position. Adjusts itself automatically for handkerchiefs or blankets. Automatic drainboard. Instant tension-release. All parts enameled.

ELECTION PROCLAMA

GOD SAVE THE COMMONWEA

I Thomas H. Lowell, High Sheriff of the County of Clearfield, in the Commonwealth of Pennsylvania, do hereby make known and give notice to the Electors of the County of Clearfield Pennsylvania, that an Election will be held on Tuesday the Fourth Day of November, A. D., Nineteen Hundred and Twenty-four, it being the Tuesday following the first Monday of November. The polls to be open from 7 A. M. to 7 P. M., at which the free by ballot for the purpose of electing the following officers:

Thirty-eight Persons for Presidential Electors. One Person for Judge of the Superior Court. One Person for State Treasurer. One Person for Auditor General. One Person for Representative in Congress. Two Persons for Representative in the General Assembly.

To vote a straight party ticket, mark a cross (x) in the square, in the first column, opposite the name of the party of your choice.
A cross mark in the square at the head of a group of presidential electors, opposite the name of a party and its presidential candidates, is a vote for all the electors of that party, but for no other candidate.
A cross mark in the square opposite the name of any candidate indicates a vote for that candidate.
To vote for a person whose name is not on the ballot, write or paste his or her name in the blank space provided for that purpose. This shall count as a vote either with or without the cross mark.
To vote for an individual candidate of another party after making a mark in the party square, mark a cross (X) opposite his or her name.
For an office where more than one candidate is to be elected, the voter, after marking in the party square, may divide his or her vote by marking a cross (X) to the right of each candidate for whom he or she wishes to vote. A cross mark in the square opposite the name of a candidate not marked in the party square, may divide his or her vote by marking a cross (X) to the right of each candidate for whom he or she wishes to vote. A cross mark in the square opposite the name of a candidate not marked in the party square, may divide his or her vote by marking a cross (X) to the right of each candidate for whom he or she wishes to vote. A cross mark in the square opposite the name of a candidate not marked in the party square, may divide his or her vote by marking a cross (X) to the right of each candidate for whom he or she wishes to vote.

their story and freed them from responsibility for the death.

The boys state that they were with Wingrove on Friday night and that he had taken a revolver from the car of Charles Walton of Falls Creek, which was standing in the front of the Casey home. They walked a short distance on Taylor street they said, and Wingrove removed the bullets from the cylinder of the revolver, and then handed it to Benninger. The latter refused to take it saying that he was going back to the Walton car to get something else. Thomsby then took the gun, he said, and was examining it, when it was accidentally discharged. The bullet struck Wingrove directly above the

The Logical Choice of the Careful Buyer

The Ford car delivers more useful, care-free, economical service per dollar invested than any other car. Its sturdy, rigid construction is striking evidence of enduring materials. Every minute operation is scientifically tested and accurately checked.

Control of natural resources and complete manufacture in large volume have made possible value that is the one standard by which every motor car must necessarily be judged.

The Ford car is the logical and necessary choice of the buyer who wants to get the utmost from every motoring dollar.

Why It Will Pay You To Trade In Clearfield

The issues of this week of the feature "Why it will pay you to trade in Clearfield", bring to a close one of the most interesting campaigns that has ever been attempted in this city.

And with these issues, the merchants and others who have participated, do, as the lawyers say, rest their case.

These merchants have shown you thru the medium of some straight-from-the-shoulder talk, that it pays you to spend your dollar in Clearfield. They have traced the goings and returns of the dollar you spend. They have shown you conclusively that the dollar you spend here is always coming right back to you again. They have also shown you that the dollar sent away is gone forever as far as this community is concerned.

Now, is it not logical that these merchants and others should have the opportunity of showing you that your dollar spent here will buy just as much as the dollar that you send away? And when you need something, isn't it just as logical that you should try the Clearfield stores or the other services we have here for you before you fill in that order blank?

PRINCIPALS IN THE NUTMEG-GUNN CASE

Altoona Outpoints
C. H. S., 20 to 0

(Continued from Page One.)

Wicker distinguished himself by his running and pass catching, while the mate of a quarterback was as ever a spinning runner and played fine defensive game, often coming in and dropping Wicker when he had slid and broken thru the line of scrimmage.

The game itself was not so uneven as the score. Altoona's first downs counted three more than Clearfield's, being 11 to 14. In the passing and punting Clearfield was ace high and needed more by this than any other team. On the yardage gained they were the big guns and in that line alone. The Wicker team gained constantly thru the line, but on the ends they were always held close by Mohr and Johnston. On the return of punts Altoona was held about even due to the fine work of these two boys.

Wicker began the game, by kicking to Mitchell who took it back 25 yards. Right here C. H. S. threw a punter into Altoona by gaining two first downs, but a penalty forced Wicker to punt to Wicker on his own 35 yard line, where a Clearfield end dropped him. An exchange of ownership and again Clearfield punted, this time Wicker being downed on his own yard line. Altoona took the ball but failed to gain and then punted, Wicker booting to Mitch, who let the ball roll and it rolled toward Clearfield's goal before being covered. Right off Clearfield punted but two tackles by Ken Davis forced the dropped boys to punt. The game continued this way till about the middle of the second period when Wicker was dropped with a Wilson punt on the 10-yard line the alien eleven punted Clearfield 50 yards to score and Wicker made it 7-0 by placement kick at the second period ended.

The third period scores were made on a couple of bad ones. Conroy scored after a fouled punt was recovered in the Clearfield 10-yard line. Again Wicker for point was good as the ball sailed over the bar. The second and last came when Schuckarts intercepted a pass and got to a score after escaping from the clutches of a Clearfield tackler. The last period was void of scoring and found Clearfield chasing Altoona all over the field by the aerial route, but no scoring could be done before the final whistle blew.

SIDELIGHTS ON THE GAME
The capacity of Altoona High's field was not taxed so heavily as in other games earlier in the season. The previous crowds were quoted at

5,000 to 7,000, with about one-tenth paid admissions. But Saturday every person sported a tag and no 5,000 passed in the gates.
The Red and Black team say they would not trade fields with Altoona. Smoke was continually blown across the field from nearby trains, while the turf was unusually hard and bare of grass in the hardest places.

It was not the least bit discouraging to lose to Altoona from a Clearfield standpoint. Altoona High, composed of the three upper classes, enrolled 1200 and more or about 500 to 600 boys to pick the best eleven from. Clearfield High has nearly 500 in the three upper classes and about 200 to 250 are boys from which the team is selected. At that we have won three out of five from the city boys, which isn't so bad.

When Schuckarts grabbed the Clearfield pass and began to step off

the yardage to the goal line he went right past the Clearfield bench. The Red and Black officials and players watched him pass and when he was tackled they jumped to their feet with a great shout, only to sink back again when the runner wiggled loose and scored.

SATURDAY'S GAMES

Windber managed to put one touchdown over on Hollidaysburg and won 6-0. But the Koehler coached team cannot be beaten easily, as was seen by the 15-0 score at Lock Haven.

EPINARD THROUGH

IS GENERAL OPINION

DuBois came thru in the last quarter and ran from a 27-14 score to beat Phillipsburg 41 to 27. They must not have gotten the correct dope at Tyrol.

Curwensville threw in the towel to Edgway when the up-state boys came thru with a 14 to 0 victory.

New Castle put the hooks to Butler 24-0 at Butler. New Castle would not surprise anyone by winning the state title.

Miss Catherine Way spent the weekend in Patton with Miss Mary Chase.

New York, Oct. 20. (INS.)—In the opinion of horsemen expressed freely today, Epinard's defeat in the Laurel Stakes on Saturday will mark the end of international racing between the best horses of Europe and America. It is contended that Epinard should not have been allowed to go to the weekend in the Laurel, owing to bad condition of his feet.

cedures, and particularly as to how they control and check up the work of the institution.

"This movement," said Dr. M. T. MacEachern, director of hospital activities, American College of Surgeons, "aims directly at the elimination of deficiencies in hospital services to the patient and the establishing of closer supervision and check-up on the work of the institution. It has been rapid in its acceptance and accomplishment, because of the wholehearted co-operation of the hospital people and public generally, of the United States and Canada."

The total number of hospitals sur-

veyed in Pennsylvania was 171, of which 117 or 68.4 per cent met the requirements.

Among those listed as having been fully approved after meeting all the requirements are the Clearfield hospital, the Cottage State hospital, of Philipsburg, the DuBois hospital of DuBois. No others closer than Altoona are listed.

Early "Razors"

In the days before the steel razor came into use, shaving the beard was accomplished by the use of flint, shells or bones, which were ground so as to give them a keen, sharp edge.

Home Lighting Contest Time Extended

Owing to the delay in receiving printed material and literature from the National Headquarters, the time of closing the Home Lighting Contest locally will be extended to

November 26th, 1924

This will give the children competing additional time to complete the work of preparing their Primers, and writing their essays, and also gives plenty of time yet to enter the contest.

Children may register and receive Primers from their schools, or at the headquarters, at the address below:
